Evaluation
1. I can describe the stages of change.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
2. I can advocate for and with patients in their healthcare.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
3. I can discuss the components of sensory processing and executive function as the foundation for human processing.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
4. I can develop a checklist for informing the patient of a new strategy for healthcare.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
5. The objectives relate to the overall goal of the article.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
6. The article is well-written and logically organized, and defines terms adequately.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree

Making treatment plans to expert patient educators is their responsibility, not the HCP’s. The HCP’s role is to:
1. Communicate by e-mail or telephone
2. Stress early on the consequences of poor adherence
3. Educate patients’ adherence to treatment plans
4. Patients, not HCPs, bear the responsibility for a successful outcome

Evaluation
1. I can describe the stages of change.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
2. I can advocate for and with patients in their healthcare.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
3. I can discuss the components of sensory processing and executive function as the foundation for human processing.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
4. I can develop a checklist for informing the patient of a new strategy for healthcare.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
5. The objectives relate to the overall goal of the article.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
6. The article is well-written and logically organized, and defines terms adequately.
a. strongly agree  b. agree  c. neutral  d. disagree  e. strongly disagree
